

Regional DVD Launches at Hastings, Cardinia and Churchill Island:

The Western Port Seagrass Partnership has held a series of very successful launches around Western Port to celebrate the release of its new DVD “Western Port – Cherished and Challenges” and its brand new web site at www.seagrass.com.au.

The DVD was produced by well know media personality Mr John Clarke, who is a director on the board of the Western Port Seagrass Partnership. (see WPSP media releases)

In each case the launches were hosted and supported by the regional councils, Mornington Peninsula Shire Council, Cardinia Shire, Casey City Council and Bass Coast Shire. The support of the launches being indicative of the long term partnership the WPSP Ltd has enjoyed with these regional councils.

The DVD project was proudly sponsored by ESSO Australia.
